

Cross Country

Our Manaaki and Manawanui cross country will be held this Tuesday 1 September at Onekawa Park, starting at approximately 11:00am.

All children from Manaaki and Manawanui syndicates have been preparing for this as part of the physical education programme. Therefore we expect all children to be involved.

There are school photos in the morning so please make sure your child has a change of suitable clothes for the event and that they remember to bring a water bottle and warm clothing for after their race.

Unfortunately, due to current COVID level 2 restrictions we ask that parents do not attend this year's race. Staff members and fellow students will encourage and cheer on our runners.

After our school cross country, we will select the team to represent Onekawa School at the inter-school cross country at Park Island (if this goes ahead due to Covid restrictions). You will be notified if your child is selected and asked to give permission for him/her to take part.

If it happens to be raining, a postponement notice will be placed on our Facebook page before 8.30am on the day. There is a postponement date of Thursday 3 September.

COVID-19 Level 2 Protocols

Thanks to parents and caregivers for supporting our level 2 protocols at school.

Here are some important reminders:

We ask that parents/caregivers drop off/pick up children from outside the school gates. Parents of younger children are of course welcome to drop off/pick up children from outside their child's classroom.

Parents/caregivers who do enter the school must check in by either:

1. Using the NZ COVID Tracer app (recommended)
2. Using the check in module on the school app
3. Signing in at the school office

The playgrounds are closed afterschool. We ask that parents who do enter school at the end of the day to leave the grounds as soon as possible.

Moveathon - Coming Soon!

Onekawa School's first ever 'Moveathon' will take place in the last week of this term – Tuesday 22 September.

The Moveathon is Team Pipi's major fundraiser for the year so we hope all our families can get behind the fundraising of stage 1 of our playscape.

Sponsorship forms will be sent home with your child this coming week.

Sport Hawkes Bay Coaching

Children in Years 4-6 have been taking part in tennis and basketball coaching from Sport Hawkes Bay this term.

This gives our children an opportunity to sample sports they may not otherwise have experienced.

The photos to the left show Room 8 in action yesterday.

Reminder - Head Lice Check

With spring around the corner now is a good time to check your child's hair for headlice 😊

School Photos Tuesday 1 September

School photos will be taken on Tuesday next week.

You should have already received information about how to order.

Sibling photo request forms are available from the school office.
